### PUBLIC NOTICE

IMPORT TRADE CONTROL

*New Delhi, the 3rd August 1967*

**No.71/ITC(PN)/67.**—Attention is invited to the Import Policy for Regd. Exporters contained in Part B of Section III of the Import Trade Control Policy Book for the year April 1967-March 1968, issued under the Ministry of Commerce Public Notice No. 32-ITC(PN)67 dated the 1st May, 1967.

2. In para 9 of the rules of procedure relating to grant of replenishment licences under the aforesaid policy appearing on p. 186 of the current Policy Book, it is *inter alia*, laid down that the Registered Exporters or their nominees, as the case may be, may apply for grant of import licences for the items indicated in any valid A.U. licence held by them, provided such items are permissible in terms of the general Import Policy for April 1967-March 1968. A similar provision is also incorporated in para 107 of the Import Trade Control Hand Book of Rules and Procedure 1967, published under Ministry of Commerce Public Notice No. 57-ITC(PN)67 dated the 3rd July, 1967.

3. The above provision has been reviewed and it has now been decided that in respect of exports of goods other than the specified stainless steel products (as detailed at pages 268-269 of the current Import Policy Book), effected on or after 1st July 1967, the manufacturer-exporter or the nominee-manufacturer will not be entitled to claim licences for stainless steel sheets, strips, circles and plates, even though these might be included in the valid A.U. licence held by them.

4. Para 9 of Part B of Section III of the I.T.C. Policy Book for the year April 1967-March 1968 and para 107 of the Hand-Book of Rules and Procedure, 1967 may be deemed to have been amended accordingly.

5. The existing policy and procedure regarding grant of replenishment licences for stainless steel items against exports of stainless steel products as detailed at pages 268-269 of the current Policy Book would, however, remain unchanged.

(Issued from F. No. 1/13/REP/EP-I/67).

P. D. KASBEKAR,

Chief Controller of Imports and Exports.
